Re: Offer of Settlement In Lieu of Filing a Formal Disciplinary Complaint

Dear Dr. Appel:

This letter is to advise you that the New Jersey State Board of Psychological Examiners (the "Board") has had an opportunity to review information concerning your August 17, 2007 reinstatement of license to practice psychology in the state of New Jersey that was received on August 17, 2007. Specifically, the information reviewed included the reinstatement application that indicated that the last renewal was due June 30, 2005 and an affidavit advising the Board that, during the lapsed licensure period, you continued to practice psychotherapy on a part time basis at a private practice located at 1112 and 1534 King's Highway, Swedesboro, NJ. As related in the affidavit you performed psychological services in a private practice during the period that you failed to renew your license. The Board records also indicate that renewal notices were sent to your address of record at 51 Royden Place, Tenafly, New Jersey.

Upon review of all available information, the Board has reinstated your license and has preliminarily found that probable cause exists to support a finding that you violated N.J.S.A. 45:1-7.1(b) and (c) in that you failed to renew your license within thirty days of the June 30, 2005 renewal period and you continued to practice with a suspended license from July 30, 2005 to August 17, 2007 when your license to practice psychology was reinstated.

At this juncture, the Board has preliminarily concluded that the above violations are sufficient to warrant the initiation of formal disciplinary proceedings against you. Notwithstanding that decision, however, the Board has determined that it will first offer you an opportunity to settle this matter, and thereby avoid the initiation of disciplinary proceedings, should you consent to:

1. Cease and desist from engaging in the practice of psychology in the future without timely renewal of your license pursuant to N.J.S.A. 45:1-7.1(b) and (c).

2. Pay a penalty in the amount of \$2000.00 which represents a penalty for continuing to engage in the practice of psychology with a suspended license from July 2005 - August 2007 to be paid immediately upon your signing of the acknowledgment at the bottom of this letter. This sum consists of \$1000 for each year that your license was suspended. Pursuant to N.J.S.A. 45:1-25 "any person who engages in any conduct in violation of any provision or act or regulation administered by the board shall, in addition to any other sanctions provided herein, be liable for a civil penalty of not more than \$10,000 for the first violation and not more than \$20,000 for the second and each subsequent violation..."

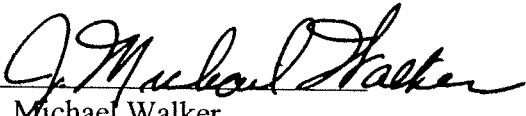

If you are willing to settle this matter on the offered settlement terms, you may do so by signing the acknowledgment at the bottom of this letter, and returning it to the Board office. Upon your signature, this letter will be a matter of public record.

In the event you are unwilling to settle this matter on the offered terms, it will be referred to the Attorney General's office for the initiation of appropriate enforcement action. In such event, you will be afforded an opportunity to defend against the alleged violations. If an evidentiary hearing is deemed warranted the Board will either conduct that hearing at a date and time to be scheduled or refer the matter to the Office of Administrative Law. You are advised, however, that in the event formal charges are filed, the Board may assess civil penalties in an amount greater than that herein offered in settlement should any charges against you be sustained. Additionally, the Board may, if the facts are found to so warrant, enter an order, requiring you to reimburse certain monies and/or requiring you to pay costs incurred by the Board. Should you have any questions concerning this letter or the settlement offer herein, I suggest that you contact Deputy Attorney General, Carmen A. Rodriguez who may be reached at (973) 648-3696.

If you elect to settle this matter presently, you should sign the acknowledgment at the bottom of this letter and return it to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from you within fifteen (15) days, the Board's settlement offer will be withdrawn, and the matter will be referred to the Attorney General's Office for the initiation of appropriate enforcement proceedings.
